THE MAJESTIC DISPLAY CABINET RANGE – Compiled 4th October 2006

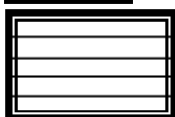

CABINETS ONLY AVAILABLE TO ORDER IF COLLECTED FROM STORE – MAIL ORDER NOT POSSIBLE DUE TO GLASS CONTENT.

All cabinets are real wood construction with hinges to side, mounting eyes to top and support blocks to bottom, glass fronted and glass shelves. Shelves are ground edged for safety. Please note: Unlike some cabinets which have extruded-veneered MDF construction, our cabinets are real wood – MDF is only used for the hidden rear panel. All have depth of approx 2.5" internal, except Maxi Plus Superdeep which is double depth and has a high grade veneered chipboard carcass.

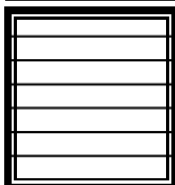

Constructed to order. Please allow 14-21 days for delivery.
